EXPERIENCE

Genesis **Delhi NCR**

Founder & CEO *May 2025 – Present*

- Founded and scaled a pan-India AI and Web3 ecosystem, reaching 80,000+ registrations, 20,000+ participants, and 140+ events.
- Built and led an 85-member distributed volunteer team across operations, partnerships, marketing, and developer engagement.
- Developed ecosystem partnerships and event collaborations with Google, Microsoft, Stellar, Logitech, GitHub, Duality AI, Wormhole, and Daytona.
- Packaged recurring multi-campus sponsorship activations spanning campus access, event execution, brand integrations, content, and reporting; Genesis reached approximately INR 1 lakh in monthly net profit at its Jan–Mar 2026 peak.

Generally Critical & Founders Find **Bengaluru**

GTM – First Hire *Sep. 2026 – Present*

- Joined as the first and sole GTM hire, building early growth initiatives across email marketing, social media, and event-led acquisition.
- Developing a comment-to-DM acquisition funnel using AI-animated case-study videos to drive product discovery and platform activation.

SELECTED GROWTH PROJECTS

Founders Find – The Decision Room | Live Session-led Acquisition October 2026

- Segmented an 8,000–9,000-contact database by professional profile and membership intent, shortlisting 2,000 prospects for targeted email outreach; the inaugural session attracted 150 attendees (80 peak concurrent) and approximately 60 qualified leads.
- Ten memberships were sold in general; contributed to paid conversions that generated INR 1,25,000 in collected revenue at the discounted INR 25,000 price.

0xGenIgnite 1.0 – Genesis x NIT Goa October 2025

- Guided a first-time organizing team of six people on event format, show flow, budgeting, and campaign direction; four-city bootcamp activities supported an event that secured approximately INR 5 lakh in cash sponsorship and INR 50,000 in post-expense surplus.

Hackers Occupied – Creator-led Hackathon Series Genesis | Pune Edition

- Conceptualized a format combining developers and creators; personally raised INR 65,000 of approximately INR 85,000 in total funding for an INR 80,000 budget, delivering 25 teams and 102 participants, including 25 creators.

Moderator Dashboard – Community Management Tool React | TypeScript | Supabase

- Built a dashboard serving 3 clients and 1,700+ users; developed real-time activity tracking and leaderboards, reducing manual moderation effort by approximately 40%. GitHub

Genesis Website Next.js | Tailwind CSS | Vercel

- Launched genesishacks.com, attracting 4,000–5,000 monthly visitors during event cycles; improved registration-to-attendance conversion by approximately 15% through discovery and signup-flow optimization.
